Fifty-two puppies went to Toledo Area Humane Society on Friday, 5/30. Thirty-two were from Campbell county and 20 were from Claiborne county. Here are just a few of them! Unlike counties closer to Knox, there are no low-cost spay/neuter clinics in those counties, and consequently they have not seen the slowdown in the birth rate that has been seen in Anderson, Blount, Jefferson, Knox, Loudon, Monroe, Sevier, and Union counties.
